The responsibility for notifying potential subcontractors and suppliers of these changes remains with the prime contractor.

Sincerely,

Mike Coleman

Proposal Development Specialist
Proposal Management Section

ADDENDUM NO. 02

1330-00-73

August 29, 2024

Special Provisions

41. Notice to Contractor – Waste.

WisDOT Right-of-Way between STH 83 and Campbell Trace Road, north of Cardinal Lane, may be available as a waste site for common excavation from this project. Securing all necessary approvals, permits, environmental coordination, and utility coordination relating to placing fill and construction activities is the responsibility of the contractor. Additional traffic impacts to STH 83, Campbell Trace Road, Cardinal Lane, or any other public roadway, besides what is described within the other contract documents for this project, will not be allowed without prior written approval of the engineer. If the site is used, no additional compensation will be made for permitting, coordination, site preparation or restoration. Approval of this site is not guaranteed. Off-site hauling is incidental to this contract; therefore, no additional compensation will be granted in the event the site cannot be used or permits cannot be obtained.
