#### Notice to Contractor:

Parcel 1 of the above noted project, located at W10620 STH 29, Shawano, WI 54166, recently had a burst water line. Due to the burst water line, there was upwards of 4-feet of water in the basement. Part of the second floor has collapsed to the first floor. The water in the basement has been pumped out. The stability of the remaining structure is unknown.
